Authorized Dealer Application

Dear Potential Customer:

Thank you for inquiring about buying from AEE Solar. Before we can commit to welcoming you into our network, we need to know more about your company. Please fill out this Authorized Customer Application and submit for our evaluation. When we have reviewed your application, we will let you know if you have been approved and, if so, will send you our current wholesale price list.

All sales must be prepaid with your company check, VISA, AMEX, Discovery or MasterCard. After being accepted as an authorized AEE Solar customer, you may apply for a credit account. (Ask your sales rep for details.)

California resellers must mail AEE Solar a signed and completed California Resale Certificate (a 65K PDF download) if they wish to be exempted from California sales tax. Colorado resellers must mail a signed and completed Sales Tax Exemption Certificate. Arizona resellers must mail a signed and completed Transaction Privilege Tax Exemption Certificate.

Applicable sales taxes will be charged on all orders until a valid resale certificate is on file. Charges for sales taxes will not be refunded on any orders placed prior to receipt of your certificate.
